CANCELLATION POLICY

Full registration, less a \$50.00 processing fee, will be refunded when cancellation is made via email notification email to Alison Connell at aconnell@mspe.org on or before May 25, 2022. No cancellations will be accepted after June 1st due to hotel guarantee deadlines.

SPECIAL NEEDS/ACCOMMODATIONS

We will make every effort to meet your special needs. Please contact Alison Connell at the MSPE office at aconnell@mspe.org to request special accommodations.

ORDER OF THE ENGINEER

During the luncheon Thursday, and Order of the Engineer Ceremony will be conducted. Registration for this ceremony is included in this convention registration package. In general, the Order of the Engineer is another step in a PE's career where a commitment is made to perform engineering with dignity and an obligation to serve humanity. The symbol shall be a stainless steel ring to be worn on the little finger of the working hand. MSPE highly recommends joining the Order and participating in the ceremony if you are not already in the Order. More information is available at the Order's website: <https://order-of-the-engineer.org/>

GOLF TOURNAMENT

There is a golf option available this year on Wednesday, June 8th beginning at 1:00 p.m. at Pointe Royale Golf Course! The golf course is located at 142 Clubhouse Drive, Branson, MO 65616 and is a 7 minute drive (2.8 miles) from the Chateau on the Lake. The fee is \$90.00 per person. Be sure to sign up when you register for the conference as we have limited tee times reserved.

RECOMMENDED ATTIRE

Meetings and social events: Resort wear/business casual suggested.

Annual Banquet: Resort chic attire, business wear, sportscoats. Ties optional for men.

ORDER OF THE ENGINEER CEREMONY

Presented by the

Missouri Society of
Professional Engineers

June 9, 2022, 11:45 a.m.

Chateau on the Lake, Branson, MO

The Order of the Engineer is an independent organization whose purpose is to foster a feeling of pride in and dedication to the engineering profession. During the ceremony, each inductee makes a solemn obligation to uphold devotion to the standards and the dignity of the engineering profession. Prior inductees are also invited to renew their obligation.

The obligation is a creed similar to the oath attributed to Hippocrates that is commonly taken by medical graduates and which sets forth an ethical code. The obligation likewise contains parts of the canon of ethics of major engineering societies. **The Order promotes honesty and integrity, and recognizes that today's engineers are dependent on their predecessors for their skills.** A stainless steel ring is worn on the little finger of the working hand to symbolize acceptance of the obligation.

MSPE/NSPE members who wear the ring help raise awareness of the concepts of licensure and professionalism. This awareness is extended to recent engineering graduates, to non-MSPE/NSPE members, and to the general public. Promoting the Order of the Engineer provides an opportunity for NSPE and its state partners to grow membership. A strong membership base helps promote and protect the engineering license.

You are invited to join in this important promotion of the licensed engineer. Please register to take the oath to serve humanity by making the best use of earth's precious wealth!

Name: _____ Major: _____

Please print your name as you would like it to appear on your certificate

School: _____ Year Graduated: _____

Permanent Address: _____

E-mail Address: _____
