

HALL OF FAME

*Revised Awards Criteria
October 2022*

The MSPE Hall of Fame was developed to recognize individual engineers or friends of the profession whose personal accomplishments, awards, and activities exemplify the goals and objectives of MSPE and positively promote the professional engineering community.

Qualifications/Method of Selection:

Prerequisites

- 1) Professional Engineer's license (20 years minimum)
- 2) Minimum age of 55.
- 3) MSPE member in good standing
- 4) Accumulation of "more than 1250 points" on the application form ... or
- 5) Substantial devotion to the goals & objectives of MSPE by a non-member over a period of years for Honorary Member consideration.

Posthumous nominations will be accepted as long as the prerequisites were met at the time of death.

Point Scoring System

IX. Career highlights/accomplishments/projects (four maximum)

400 points maximum

X. Discretionary

50 points maximum

(includes completeness of award, additional comments, presentation, etc.)

Evaluation: For consistency, MSPE staff scores Sections I - VII. The scoring results are presented to the Executive Committee at their April meeting. The Executive Committee scores section VIII-X and reports their scores to the staff for final calculation

To be eligible for the Hall of Fame Awards, nominees must score over 1,250 points.

Award: Framed Certificate; Inscription on a perpetual plaque displayed within the MSPE Office

Presentation: The award is presented at the MSPE Annual Convention.

Nomination Format: Nominated by a local MSPE Chapter. One submittal allowed per chapter.

Endorsement letters: Three personalized, individually signed letters stating the author's relationship to the nominee and attesting to the nominee's qualifications, character and merit. **One** of the endorsements must be from the nominee's chapter president/state director(s) providing the chapter's reason for nomination. The remaining two letters must be from current MSPE Board Members or Past Presidents residing outside the nominee's chapter.

Nomination Deadline: March 31 unless specified otherwise. Nominee information, letters of endorsement and preliminary point evaluation must be completed for presentation to the Executive Committee at their March Meeting.
