

# *MSPE PEI Distinguished Service Award*

---

The MSPE PEI Distinguished Service Award is presented to an individual who has made an outstanding contribution of statewide scope to advance the causes of the individual engineer in industry or Professional Engineers in Industry (PEI). Eminence in the field of engineering does not have to be limited to that of technical contributions only, but also to the profession itself.

The award winner will receive an engraved plaque at the MSPE Annual Conference. Also included are two complimentary tickets to the MSPE awards ceremony.

**A. Qualifications/Method of Selection**

Major consideration is given to the manner and extent to which professional engineers in industry have been enriched as a result of the nominee's influence and contributions. Any professional engineer licensed in the U.S. is eligible for the award except current officers of the MSPE-PEI Executive Board. Strong preference is given to MSPE-PEI membership and contributions, though not required.

Nominations can be made by any MSPE and/or PEI member in good standing, the individual's MSPE chapter, or the state PEI organization. Multiple candidates may originate from any source. The recipient is selected by a committee comprised of Past MSPE-PEI Chairs.

**B. Presentation**

The award is presented at the MSPE Annual Conference. The nominee is expected to be available to receive the award in person.

**C. Nomination Format**

Completed nomination packets should include:

- Nomination Form
- Letter of endorsement by MSPE chapter, state PEI organization, or PEI member
- Nominee's biography/resume to include:
  - 500-word statement suitable for use as a press release
  - Education
  - Professional achievements
  - Professional and technical society activity
  - Humanitarian and civic contributions

All entries must include the original nomination, and 5 copies.

**D. Deadline**

Completed nomination packet must be received by MSPE by March 3.
