PO Box 8724
Kansas City, MO 64114-0724

Program: The Engineer of the Year from KSPE Eastern Chapter and Young Engineer of the Year from MSPE Western Chapter and the top student winners from MathCounts, Bridge Building and Future Cities competitions will be honored. Following the awards will be a presentation by our Keynote Speaker.

Presentation: Overview of the New Kansas City International Airport Single Terminal

Keynote Speaker:

Jade Liska, Deputy Director – Planning and Engineering Division, Kansas City Aviation Department
Jade has worked for the City of Kansas City, MO for nearly 18 years, serving in a variety of management roles – currently as the Deputy Director of Planning and Engineering for the Aviation Department. Jade has dedicated the past 5 years as the Lead-Project Manager for the new \$1.5B single terminal and infrastructure for Kansas City International Airport (MCI). Jade is a licensed Professional Landscape Architect in Kansas and Missouri and is a graduate of Iowa State University.

Sponsorships: Your company will be featured at this Celebration with a multitude of benefits depending on your Sponsorship level. Some benefits include a complimentary booth, a table of 10 in premium locations, and your corporate logo in the program and in the slide show displayed during the luncheon for fees ranging from \$1,000.00-\$5,000.00. Please see the attached Sponsorship Packages for details.

Sponsor-A-Student:

Did you order too many tickets or want to "sponsor-a-student"? Invite a High School student who participates in Project Lead the Way or First Robotics. Another option is to host an engineering student from UMKC, Rockhurst University, or Benedictine College. They will join you and your group at your table. This is an excellent way to get to know a future colleague. Please indicate the number of students you are willing to sponsor when registering.

Exhibit Booths: The pre-function lobby area will be available to schools, companies, and professional societies to host an exhibit.

Business Journal Supplement: You or someone in your firm or organization is highly encouraged to submit articles for consideration for publication in the Kansas City Business Journal Supplement that will be published and distributed in the February 24 KCBJ edition. If you would like to submit an article for publication, please contact: Cody E. Porter, P.E., E-week Committee, (816) 701-3155, cody.porter@wilsonco.com. The due date for submitting articles is: January 18, 2023. If your firm or organization would like to advertise in this special Edition of the KCBJ supplement, please contact Tracey Passantino at 816-777-2227 or tpassantino@bizjournals.com. Advertising space reservations are due: January 20, 2023.
